

July is booming with MTSS - Behavior Support!

PBIS Indiana is proud to host regular **OFFICE HOURS** in support of all educators during this time of uncertainty.

“Office Hours” are an opportunity to provide support and Technical Assistance for Indiana educators regarding School-wide Discipline; MTSS-Behavior and SEL; PBIS and Restorative Practices. This on-going **FREE** series will provide resources, conversations and technical assistance support for MTSS-Behavior and PBIS Team Leaders and Coaches, as well as for your virtual and physical classroom.

Please join us in continuing the work of creating proactive, positive school climates no matter the environment.
